

## PROVISIONAL GEST TRIALS CALENDER 2009

All daytime trials start at 10.30 AM unless otherwise stated. Evening trials start at 17.30 - we have a barbeque after the trial, please bring your own food to cook on the communal barbeque! We usually break for lunch for an hour or so during summer daytime trials but go straight through in the winter or if the weather's bad. All club trials have 4 routes catering from beginners to experts.
